Initial Administrator Program Planning Worksheet Beginning Summer 2012

18 Semester Hours

The on-campus program is not a cohort. Students may start at the beginning of any semester: fall, spring or summer. In addition, students may take up to seven semester hours before being officially admitted.

Off campus programs in Central Oregon, Eastern Oregon and the South Coast Region (Coos Bay) are cohort programs.

Students advance through the on campus program at their own pace. Program completion depends on the number of courses taken per semester and the students' own time line for finishing the requirements. So students start when they want and finish when they are done.

Off campus cohorts are usually two-year programs, starting in the fall of the first year and ending in the spring of the second year.
