

## Student Course Evaluations for Subject (Secondary Subject)

Greetings [R\$FN],

Each semester we seek your evaluation of the courses in which you are currently enrolled. This feedback helps faculty members, departments, and the Dean's Office improve the quality of courses and teaching at the College.

In completing these evaluations, select the responses which best reflect your experiences of each course. Please be assured that your personal information will not be attached to these data and you will not be identified with your responses in any way.

Your responses on the first section will be saved when you move on to the second section—just click the "NEXT" button (or ► on mobile devices). Remember to click the "SUBMIT" button after you complete the evaluation.

If you are unable to complete the evaluation in one session, you can save your responses by clicking the "SAVE" button. If you previously saved an evaluation, or if your session timed out prior to submitting, you can always resume your evaluation by logging back into <http://go.lclark.edu/evals>.

Please complete your evaluations as soon as possible. The evaluation for each course will only be available for one week after the last scheduled class. If you have any questions, please contact the course evaluations administrator at [gsecevals@lclark.edu](mailto:gsecevals@lclark.edu).

Thank you,

Scott Fletcher  
Dean, Graduate School of Education & Counseling
