Lewis & Clark Graduate School of Education and Counseling Art Therapy Prerequisite Coursework

Applicant Full Name:	
Email:	

Applicants must successfully complete prerequisite coursework at a college, university, or community college approved by a national or regional accrediting agency (minimum 100 level.) Courses can be taken online or on-campus and do not have to be a part of the undergraduate degree. All prerequisite courses will be verified by official transcripts submitted with your application. When reviewing your application, faculty may request course descriptions and/or syllabi if there are questions about the course(s) listed on this form. You may upload the completed form through your application status page. Please contact the Graduate Admission office with questions.
