Unique Attributes and Points of Pride	Lewis & Clark's Teacher Education Program is known for its commitment to social justice, which is infused throughout our program. We are committed to preparing teachers to meet the needs of the diverse learners with whom they will work. Our faculty are experienced classroom teachers who model best practices. We weave content knowledge and pedagogy with classroom practice, which includes a practicum placement for an entire school year. We continue to support our graduates

in their teaching career through campus events and workshops as well as continued relationships with faculty members.
