Candidates' mean high scores on all NES exams are above national cut-score of 220.

Trends: Mean high scores on the NES Elementary Subtests I & II dipped somewhat for candidates in matriculation AY's 2015-16 and 2016-17, before recovering in 2017-18. This appears to be correlated with a greater number of repeaters in 2016-17. Mean high scores on the NES English Language Arts exams dipped somewhat 2016-17. NES ELA scores for 2017-18 matriculation year not reported through due to n < 10. All other secondary subject area exams not reported through due to n < 10. Additional exam years for each matriculation year not reported through due to n < 10
