Elementary Licensure Rate
Matriculation AY's 2017-18 through 2020-21

Data Notes
Our initial programs (Elementary & Secondary Education) are 13-month cohort-based programs. Our most recent program completers matriculated in 2020-21 and were recommended for licensure in summer 2021. Candidates lingering with an active or inactive status after 13 months are allowed up to 5 years to complete.

Matriculation AY	Matriculated	Recommended	RecRate
2017-2018	26	23	88%
2018-2019	34	33	97%
2019-2020	22	21	95%
2020-2021	11	10	91%

In Oregon, program completion is statutorily defined as recommendation for licensure. EPP-recommended candidates have met all requirements for licensure, but not all program completers are ultimately licensed. (e.g. candidates who get jobs out-of-state may not need to file their Oregon licensure paperwork).

Trends
After expected time to degree, licensure rate in our Elementary program has been consistently high over time.
