

School Counseling Graduation Rate

Matriculation AY's 2016-17 through 2019-20

Data Notes

Our School Counseling program is a two-year cohort-based program, offering both degree and license-only tracks. Our most recent graduates matriculated in 2019-2020 and graduated in summer 2021.

Candidates lingering with an active or inactive status after two years are allowed up to 5 years to complete. Candidates who switched from the degree to the license-only track are marked as having "Changed Out," since they did not graduate (i.e. earn a degree) even if they were recommended for licensure.

Trends

Graduation rates in our School Counseling program are consistently high over time, although some candidates take longer than two years to complete the program.
