

How to Give Prerequisite Overrides

As we transition away from WebAdvisor to the new Self Service, your roster screens are going to look a little different. Please follow these steps to override prerequisites for your course section(s).

1. Login to WebAdvisor at: <https://webadvisor.lclark.edu>
2. Once you've logged in, click on the "Faculty" link.

3. Select the "Faculty (Self Service)" link under the "Faculty Information" section.

4. Select the course section you wish to provide the override for. *Note: Your course sections are listed by term, with the current term listed on the bottom and future terms listed on top.*
