Mr. John Doe, Hiring Partner
ABC Law Firm
One Union Square
100 Union Street
Portland, OR 12345

Dear Mr. Doe:

I am a second-year law student at Lewis & Clark Law School. I am applying to participate in ABC Law Firm's Summer Associate Program during the summer of 2020. I am particularly interested in ABC Law Firm because of its strong litigation practice, community involvement, and overall excellent reputation. I am excited to work with your firm to gain exposure to various areas of the law within the firm's general litigation practice. In addition, ABC Law Firm's robust pro bono program is extremely compelling to me as an active member of the community.

My professional and academic experience, as well as my community involvement, will be an asset to the firm. As an extern for the U.S. Attorney's Office, I developed strong research and writing skills that I hope to leverage as a Summer Associate. I prepared numerous legal memoranda covering a variety of issues, including both civil and criminal actions. I also refined my time-management skills, supporting several Assistant U.S. Attorneys on multiple matters simultaneously. In addition, I had the opportunity to observe a number of courtroom proceedings, enhancing my understanding of the procedural and strategic aspects of litigation.

During my first year at Lewis & Clark, I focused on developing my writing and oral advocacy skills, receiving Honors on my 1L Appellate Brief, as well as receiving Best Oral Advocate during 1L Oral Arguments. For the upcoming academic year, I have tailored my curriculum to continue refining these advocacy skills by participating in Mock Trial.

In addition to my professional and academic pursuits, I am extremely involved in my local community. During my time as a Literature Major at University of Oregon, I participated in various mentorship events with local high schools to help educate students on civic and social advocacy. While in law school, I have continued these efforts through volunteer work with the Classroom Law Project.

Thank you for your consideration and I look forward to hearing from you.

Sincerely,

Mary Ann Smith
